SENATE WILL  
DEBATE BILLS

After 10-Day Recess Upper  
Chamber Will Meet To-  
morrow Evening

Ottawa, Feb. 4.—After a ten-day recess which followed its speedy adoption of the amendments to the Criminal Code, the Senate will resume its work tomorrow evening.

Three bills, put through the necessary steps in the House of Commons, are in readiness now for consideration of the Senate. The measures comprise amendments to the Criminal Code, the Pension Act and the Interpretation Act.

Meeting a request of the Attorney-General of Saskatchewan, the Criminal Code amendment provides for a jury of six, in place of twelve, in criminal cases in that province. The bill is similar to a provision operating in Alberta, while in other provinces the number of jurors is twelve.

The Pension Act change stipulates a pension commencing at age 65, to be appointed or reappointed by the government or council for a term less than the customary seven years.

The amendment of the Interpretation Act is for the purpose of making "Remembrance Day," instead of "Armistice Day," read in the list of legal holidays in Canada.

Armed Bandits Get \$20 in  
Vancouver; Stolen Auto  
Recovered

Vancouver, Feb. 4.—A pair of bandits held responsible for a number of holdups in the city during the last few weeks made another appearance late Saturday night at a small confectionery store on Richards Street and escaped in a stolen car with a cash register and \$20 in cash.

While one of the bandits waited behind the steering wheel of their stolen machine, the other entered the confectionery store of E. Youson, Japanese, held him at bay with a revolver and carried the cash register to the waiting automobile. They drove away at high speed.

Officers found the car in the west end district to-day and a short distance from it, its contents gone, the cash register.

Police said to-day that a number of holdups during the last few weeks in the city had been carried out in a similar manner and a stolen car used in each, and they believed the pair were responsible.

Miss Agnes Sutton, East Pender Street, lost her handbag and \$8 in cash to a purse-snatcher Saturday night in the hallway of her home, she reported to police.

Entering the hallway of the apartment block where she resides, Miss Sutton saw a man standing in the shadows. He demanded money and before she could escape he grabbed her purse and fled.

DAMAGES OF  
\$202,750 ASKED

Two Winnipeg Youths Killed  
in Plane Crash in Kansas  
in 1933

St. Paul, Minn., Feb. 4.—Damage suits totaling \$202,750 were filed in federal district court here Saturday as the outgrowth of an airplane crash in May, 1933, in which three persons were killed and eight injured.

The victims were John H. O'Brien, Minneapolis, owner of the plane, and Michael Blum and Joseph Duda, members of the Winnipeg Tullers basketball team on route back to Winnipeg from Tulsa, Okla., where they had played the Diamond City team.

Defendants in the suit are the Mid-Continent Petroleum Company of Kentucky, W. H. McDowell, vice-president, said to have hired the plane, and Anna Ritter, administrator of O'Brien's estate.

The plaintiffs are the administrators of the estates of the two dead players and eight other members of the team who were injured.

The complaint sets forth that arrangements for the game were made by the petroleum corporation, operators of the Tulsa team, which agreed to transport the Canadian team to Tulsa and back to Winnipeg.

The team traveling to Minneapolis by train and there O'Brien's airplane was hired for the balance of the trip. On the return journey, the complaint continues, the plane crashed at Neodesha, Kansas, and the result was the deaths of the two players and the plane was damaged.

DEATH CLAIMS  
J. FRED BRAID

Veteran Seattle Newspaper-  
man Dies of Heart Attack;  
Was Well Known Here

Seattle, Feb. 4.—J. Fred Braid, veteran newspaper advertising executive, died in Providence Hospital on Saturday after suffering a heart attack while he visited friends Friday night.

He had complained of feeling ill earlier in the day, but had been at his post as advertising manager of The Seattle Times, and later had kept his office as usual.

He was struck. He was rushed to the hospital late yesterday and did not regain consciousness.

Mr. Braid, one of the best-known newspaper men in the west, was born in Toronto, October 19, 1874, and went to Victoria when a boy. He was educated there and proceeded to Seattle in 1898 as a journeyman printer for Leavenworth and Shadden. He joined the gold rush of 1897, but returned to Seattle a few months later and became an advertising solicitor on The Seattle Times in 1898, remaining continuously with that newspaper.

He was popular and active in various men's clubs and helped found and lead such organizations as the Kivans Club, the Seattle Press Club and the Seattle Advertising Club, serving as president and director.

Mr. Braid was sixty years old and lived at 1640 Interlaken Place.

Mr. Braid is survived by his widow, Hilma H.; by a daughter, Mrs. William A. Milbury; one son, Jack Braid; a grandson, James Gilroy; and three sisters, Mrs. Frank Moulton and Mrs. William Skolm of Seattle, and Mrs. E. W. Gray of Victoria.

Rev. Sidney H. Morgan will conduct funeral services at 3:30 o'clock this afternoon in the Bonney-Walton Chapel. Burial will be in Mount Pleasant Cemetery.

Mr. Braid paid frequent visits to Victoria and was well known here.

British Radio  
Chairman Dies

Rt. Hon. John H. Whitley  
Was Formerly Speaker of  
House of Commons

London, Feb. 4.—Rt. Hon. John H. Whitley, sixty-five, chairman of the British Broadcasting Company and former Speaker of the House of Commons, died yesterday.

Born at Halifax, Yorkshire, England, he entered Parliament in 1900 as representative of that city, serving continuously for twenty-eight years.

From 1911 to 1921 he was chairman of ways and means and deputy speaker, and from 1921 until the end of his parliamentary career in 1928 he acted as Speaker of the House.

He interested himself in labor problems and in 1917 and 1918 was chairman of the committee on the relations of employers and employees, known as the Whitley committee. Later he took the chairmanship of the Royal Commission on Labor in India.

He was president of the National Council of Social Service and of Clifton College, and became British Broadcasting chairman in 1930.

ALASKA NOW HAS  
FLYING DOCTOR

Juneau, Alaska, Feb. 4.—Alaska's "flying doctor," Dr. Vance S. Murray, announced plans to-day for three aerial trips a year to deliver the health of Indians in every isolated spot, no matter how small.

Lent to the Bureau of Indian Affairs last summer by the United States Public Health Service, Dr. Murray has discovered that native health needed attention at times when they most need it. "The flying doctor" has been making a survey trip this winter. Dr. Murray owns his own plane.

Labor Head in U.S.  
Joins Geneva Body

Geneva, Feb. 4.—William Green, president of the American Federation of Labor, will be the United States member of the International Labor Organization here.

The announcement means organized United States labor has thrown its force into the international labor organization practically without reserve. A temporary delegate of the American Federation pledged the A.F. of L. to collaborate with every constructive labor effort at Geneva in order to seek "greater social justice."

D. R. Richberg Replies to  
Labor Leaders Charges on  
U.S. Auto Code

Washington, Feb. 4.—Donald R. Richberg yesterday replied to organized labor's "traitor" charge with the counter-accusation it amounted to a demand by put the interest of unions above "loyalty" to the United States Government.

The director of the emergency council asserted the "personal attack" by American Federation of Labor representatives amounted to little, "but let me point out that:

"The charge that I am a 'traitor' to organized labor' amounts to a demand that I should put the interests of a particular labor organization above loyalty to the government and to my conception of the public interest."

The Federation's dislike of Richberg flared out explosively last week when President Roosevelt, with Richberg's advice, renewed the auto code without consulting any A.F. of L. representative.

Richberg said that during an investigation of the auto labor situation "the views of all those claiming to represent labor interests were thoroughly canvassed in conferences in thirteen cities and public hearings in Detroit."

A "general agreement" was reached that new models should be introduced in October and that employees should be paid time and a half for overtime after a forty-hour week; to discontinue the auto labor board, headed by Leo Wolman, now, with auto workers' elections in progress, "would be to deny an opportunity to freely designate representatives to the automobile workers who are availing themselves almost unanimously of this opportunity."

SAYS REFORMS  
FALL SHORT

J. S. Woodsworth, C.C.F.  
Leader, States Bennett's  
Plans Quite Inadequate

Kingston, Ont., Feb. 4.—James S. Woodsworth, Co-operative Commonwealth Federation leader and member of the House of Commons for Winnipeg North Centre, in address here Saturday evening, said Premier R. B. Bennett was the first Canadian Prime Minister ever to criticize the capitalist system.

"I thank God and take courage from that," he said.

Mr. Woodsworth, however, charged Mr. Bennett's plans for social reform, as outlined in his series of radio addresses, would not even "scratch the surface of the trouble."

"His new measure of unemployment insurance is not going to help the people who are now unemployed," declared Mr. Woodsworth. "Make no mistake about that. Establishing cheaper credit for the farmers is all right, but it is not going to clarify the situation."

"I thank God and take courage from that," he said.

"His new measures are a far cry from the rugged individualism he had been asserting until a few weeks ago. It is a far cry from the principles imbedded in our laws and public opinion."

The Premier advocates regulation. "I say, 'Give us a new system.' That is why the C.C.F. was formed. Our first step is to convince the people their needs can be obtained. Once we have succeeded in that we feel the people will take matters into their own hands and assume control of affairs," the bearded prophet of a "bloodless revolution" declared.

GOVERNMENT RAIL  
OPERATION URGED

Washington, Feb. 4.—Senator Wheeler, Montana, Democrat, yesterday evening demanded United States government operation and ownership of railroads as a means of escaping "stupidity or cupidity" in management.

In an address, the senator described government ownership as "the only way out of the perplexing difficulties going private ownership and management of this most important of public utilities."

Continuance of private ownership for the present, at least, was recommended, however, by Joseph B. Keenan, railroad co-ordinator, in his message on transportation last week.

Oakland, Calif., Feb. 4.—With four more dogs reported poisoned, bringing the total to 107 pets killed in the San Francisco Bay district in the last four months, police of Oakland and Berkeley to-day began checking records of manholes in another effort to identify the person who has spread fear among pet owners.

ALEX HURD IS  
SKATING STAR

Canadian Wins Three United  
States Titles and Shatters  
Two Records

Chicago, Feb. 4.—Four United States indoor ice skating records were smashed in the western indoor skating championships before a crowd of 17,500 spectators here Saturday night.

Alex Hurd, Kirkland Lake, Ont., was the individual star of the meet, winning all three events for men A and establishing a new United States record in the two-mile race. Kitty Klein, Buffalo, achieved two of the records.

In setting the new record of 5:52.3 in the two-mile event, Hurd went into the lead on the last lap and held it against Frank Stack, Winnipeg. He bettered the previous mark by 1-10 of a second.

Hurd also won the one-mile race with Stack again second.

The men's class A 440-yard event was an all-Canadian affair with Hurd again the winner. Stack was second and Herb Plack, Toronto, third. Hurd's time was 37.4.

Canada lost the international relay race, her team comprised of Hurd, Stack, Duffey and Plack losing to the United States team made up of Lamar Otten, Bernie Connah, Truman Connell and Bob Peterson.

Courts To Decide  
Church Contest

Congregation in Charlotte-  
town, P.E.I., Opposes Mac-  
donaldite Minister

Charlottetown, P.E.I., Feb. 4.—In spite of the edict issued by the Central Kirk session that should Rev. Evan Macdonald preach again in the People's Church of Charlottetown, "proper legal steps" should be taken "to prevent him from using the church," the Macdonaldite minister conducted two services yesterday in the building.

Whether or not the presbytery would follow up its ultimatum and take the dispute to the courts was not announced officially, but in unofficial circles it was learned its first step would be to seek an injunction to prevent the Macdonaldite leader from using the church property.

Three weeks ago Rev. Mr. Macdonald, who claims to be the leader of the Church of Scotland in Prince Edward Island, began preaching to his congregation in the little wooden building, now centre of a church controversy. The minister was not qualified as a leader of the Church of Scotland, his opponents contended, that under the canon law of the church, three ministers were required to conduct business of the session.

Charlottetown citizens look on the dispute as "the last stand of the Macdonaldite," but seventy zealous worshippers who filed into the church yesterday under the leadership of Mr. Macdonald refused any suggestion it was their "last stand."

John I. Newell,  
Vancouver, Dies

Vice-president of B.C. Elec-  
tric Railway Company  
Since 1928

Vancouver, Feb. 4.—John I. Newell, vice-president and plant manager of the British Columbia Electric Railway Company, died in St. Paul's Hospital here yesterday evening. He was fifty years old.

Mr. Newell is believed to have died from heart trouble. He collapsed on Thursday last at his home on Barclay Street and was taken to the hospital the next day.

Born in Scotland, he came to Canada as a youth, settling in British Columbia, where he stayed in the employ of the B.C.E.R. twenty-eight years ago. He was appointed vice-president of the company in 1928.

DR. W. L. GRANT  
DIES IN TORONTO

Was Principal of Upper Can-  
ada College Since 1917

Toronto, Feb. 4.—Dr. William Law-son Grant, headmaster of Upper Canada College since 1917, and a leader in education in Canada, died in a hospital here yesterday. Dr. Grant, who celebrated his sixty-third birthday last November, succumbed to pneumonia, which he had contracted a week ago.

For some years Dr. Grant was president of the League of Nations Society of Toronto, and he took an active part in the programme of the Workers' Educational Association. Interested in governmental administration and inter-racial relations, he was the author of a number of books on historical and constitutional subjects, which were widely used in high schools and universities.

Lieut.-Governor Walter H. Willford was sworn in as acting-governor in less than eight months, and the state scanned the future, hoping for political tranquility.

A decision of the North Dakota Supreme Court Saturday turned out of office Governor Thomas M. Moody, a native of Bureau County, Ontario, who had held the post less than a month.

Ruling on a quo warranto action, the high court held Moody ineligible for the governorship on the ground he had voted, and thereby established residence, in Minnesota in 1928.

Moody, the second Democrat to win the governor's post in this normally Republican state, immediately called on all citizens to co-operate with his successor. Acting-Governor Willford is a member of the Non-partisan League which assailed Moody's election.

## A NEW BRIDGE SPANS OLD MOTHER THAMES

Here is a general view of the new temporary bridge being built across the river Thames in London to take care of traffic until the new Chelsea Bridge is constructed. Each year London finds the traffic problem becoming more serious, and although new bridges and wider roads are built to overcome the difficulty, experts feel drastic planning will be necessary within the next few years to clear up, once and for all, the traffic mass of the British capital.

LZ-129 under construction

The Graf Zeppelin

With Germany planning a world air line to be covered by Zeppelins and the United States carrying on negotiations for the inauguration of a regular airship line between this continent and Europe, the dream of aviation enthusiasts would seem to be heading for reality. The new German dirigible LZ-129, which is to be used for transatlantic service, is rapidly nearing completion, and President Roosevelt has approved a plan for constructing a new American ship at a cost of approximately \$5,000,000, which, when completed, will be leased to a private company which will join with Germany in forming an international corporation to handle the transatlantic service. While these two countries are going ahead with plans for a dirigible service, Britain has definitely decided to abandon this type of transportation. After the R-100 flew across the Atlantic to Canada and back, she was scrapped and all equipment sold. The Mother Country believes the airplane provides a better medium for developing passenger traffic than the unwieldy airship.

Directors of Cowichan Society to Call Public Meeting on Question

(Special to The Times)  
Duncan, Feb. 4.—The regular monthly meeting of the directors of the Cowichan Agricultural Society was held in the Agricultural Hall on Friday. President H. D. Evans occupied the chair.  
The following were elected officers: President, Col. H. D. Evans; first vice-president, B. C. Walker; second vice-president, D. V. Dunlop. Following a resolution adopted at the annual meeting that the directors request more equitable taxation on farm lands, it is the intention of the directors to call a public meeting at which these matters will be discussed and suggestions to make can be made to give the directors an opportunity to make intelligent representation on the taxation question. A special committee is to be appointed to go into the question of making the annual fair a more attractive event, and call for greater public support.

Advertisements have been inserted in the newspapers requesting all producers and dealers to register before Feb. 25, by which time it is expected that arrangements will be completed for the controlling of the balance of the last season's potato crop.

## U.S. RESERVE BANK SCORED

Associated Press  
Detroit, Mich., Feb. 4.—Describing the Federal Reserve Bank of the United States as "the Gibraltar of the plutocrats," Rev. Father Charles E. Coughlin, in an address yesterday, called on members of his National Union of Social Justice to fight for "their simple human rights of bread and butter, of clothing and shelter."  
Father Coughlin told his listeners to destroy the Federal Reserve Bank. "The very powers of hell must be moved. To destroy it there must be a perfect amalgamation of the agricultural and the laboring classes of the United States, together with the small industrialists, the professional men and the merchants. As long as it exists, as long as the policy exists of our borrowing money from it at interest to dig ourselves out of the depression, there is only the semblance of democracy in America," he said.

A polo field and polo ponies.  
An eighteen-hole golf course with full equipment.  
Basketball, basketball and football fields.  
A share in the management of the company.  
A school in which they will be taught the technical details of the industry.  
One thousand acres of land apiece for their sustenance in the event the petroleum industry should become unprofitable.  
Thirty-three other assorted demands were presented by the workers along with a threat to strike if they were not recognized.  
So far the company has made no response.

## CHANGES IN FIRESTONE REPRESENTATIVES

FRASER JAMIESON H. J. MORROW  
The many friends of Fraser Jamieson, district manager of British Columbia for the Firestone Tire and Rubber Co. of Canada Limited for many years, will be glad to learn of his new position with the same company as special truck and bus tire representative for Western Ontario which will necessitate his removal from Vancouver. Mr. Jamieson will be succeeded by H. J. Morrow, formerly Firestone district manager of Saskatchewan and Alberta, who will now be district manager of Alberta and British Columbia.

## The Drama Festival and Criticism

By JEANETTE A. CANN

At the close of the second evening of the Drama Festival, Mr. O. F. Scott, the adjudicator, gave in detail his criticism of the seven plays which, at that time, had already been presented. He completed his adjudication the following night.

Mr. Scott said that he would confine himself chiefly to pointing out faults and to giving reasons for his opinion, since, by such a course, the players and the audience would learn more than they would do if he spent much time in praise of what he found good.

With the merits of the judgments expressed I am not here concerned. Neither the capability of the adjudicator nor the usefulness of criticism of his sort may have for players and producers is open to question. The audience found Mr. Scott's remarks very interesting and, at times very entertaining. The adjudications were rather fully reported in the daily papers.

What particularly interests me is the question which naturally arises concerning public criticism of the kind and its psychological effects. Ten groups of players had, under the direction of the producers, given much time and thought to work upon which they must have endeavored to bring to the event the best of their ability, and to present their plays, they were subjected in public to an unflinching analysis of their work. The audience was informed that in a number of the plays the production was poor, or the characterization was weak, or the presentation of the lines was just recitation—in brief, the performances were marked by a good many technical faults.

The criticism was acute and every judgment pronounced may be correct. But what I should like to know is whether it really does the audience any good to be told all this and whether such public criticism really helps to better the work of the producers and players. The same sort of question arises when one hears the criticism sometimes offered at the Musical Festivals.

These public adjudications must be very trying for producers, some of whom are professionals. While I shudder to think what a corresponding experience would mean for me and the impression left upon a good many of the others is not very much more than a belief that such and such a producer is not much good, while another one, though a little better, is

What is the effect upon the members of the audience? If we have to imagine the effect upon those who have a strong personal interest in individual players, we may decide that the impression left upon a good many of the others is not very much more than a belief that such and such a producer is not much good, while another one, though a little better, is

When such a condition of affairs exists in Victoria this city will see great things accomplished.

Let those engaged in dramatic work learn all they can through study and expert criticism (of inestimable value when presented to them alone and made the subject of free discussion) and let the rest of us, from whom their audience must be drawn, lend to their efforts the sympathetic support they so well deserve. Let us go to their plays with the intention of enjoying ourselves as much as we possibly can, and of giving praise whenever it can be honestly given.

When such a condition of affairs exists in Victoria this city will see great things accomplished.

### Joe Penner At The Playhouse

**Noted Radio Star Has Lead-**  
ing Role in "College  
Rhythm," Opening To-day

Ever since Joe Penner, who makes  
his feature film debut in Paramount's  
"College Rhythm," coming to-day to  
the Playhouse Theatre, became a  
radio star he has been a myth, or  
rather a series of myths. And he is  
worrying about what the public will  
think when it sees him in action in  
"College Rhythm."

"To those people," says Penner,  
and he could say millions, as his  
programme is rated No. 1 on the air,  
"who have heard me, but never seen  
me, I am really a myth. They  
have no picture in their mind.  
Frequently I receive letters in which  
the writers attempt to describe me."

Penner's role in "College Rhythm"  
is that of a member of the football  
team's mascot, "Oop-Go," his famous  
duck. His adventures, in his official  
post, afford some ludicrous comedy  
moments.

The second feature is Gertrude  
Michael in "Menace."

### Columbia Stars

**George Arliss**  
"The Last Gentleman," George  
Arliss' second film under his new  
starring contract with Twentieth  
Century Pictures, is at the Columbia  
to-day.

A far cry from "The House of  
Rothchild," the star's first pro-  
duction under the Joseph M. Schenck  
Darryl F. Zanuck banner, this whim-  
sical comedy is, by virtue of its  
very contrast, a fitting successor  
to the powerful dramatic vehicle.

As Cabot Barr, a wealthy trustee,  
family-prince and New Englander,  
who calls together his relatives in  
the vague hope of finding a worthy  
heir, Arliss offers another of his rich  
and perfect portrayals.

Among those present are Edna May  
Oliver, as his sniffling but likable  
daughter, and Frank Albertson as  
Allan, her adopted son; Janet  
Becher as the widow of Cabot's late  
son and Charlotte (Alice in Wonder-  
land) Henry as her young daughter,  
Marjorie, and Donald Meek as Judd,  
Cabot's only living son.

#### CAPITOL THEATRE

A cast that reads like a "Who's  
Who" of the cinema has been as-  
sembled to bring Columbia's "Broad-  
way Bill" to the screen. With "War-  
nest Bachelor" and "Myra Loy" in  
the starring roles, the cast includes  
Walter Connolly, Helen Vinson, Ray-  
mond Walburn, Lynne Overman,  
Clarence Muse, Charles Bickford,  
Gillingwater, Alan Hale and Edmund  
Breese among others. Directed by  
Frank Capra, the film is being shown  
at the Capitol Theatre.

California singers ideally fitted for  
grand opera. Another notable in-

## SCHOOL NEEDS UNDER REVIEW

Committees Checking Up Requisites For 1935 Prior To Further Discussion

School board committees were busy this week securing fuller data on school requisites for 1935, with the object of arriving at a more accurate budget when the board meets on Wednesday evening.

The original tentative draft is about \$2,000 over that of last year. Whether or not that could be required was not known to-day. An item of considerable importance will be the cost of repairs to the school buildings. For the last four or five years the city has provided every possible economy in maintenance, but now repairs cannot be neglected without the chance of serious loss.

**FEEL COSTS UP**

In addition the board does not expect the annual fuel bill to be nearly as light as that of 1934. The recent cold snap has necessitated larger expenditures to date than were the case at the early part of 1934.

There is little chance of any reduction in payroll, according to board officials, and many other charges will not be decreased.

The finance and building and grounds committees have been visiting the various schools in an effort to determine what is most needed for 1935. As the result of their surveys, a closer estimate of costs for the year may be reached at the next meeting.

## C. G. Cunningham Dies Suddenly

The death occurred suddenly at Cordova Bay yesterday of Charles George Cunningham of that beachhead, aged seventy.

A native of Ottawa, Mr. Cunningham came west as a young man, and was one of the hardy adventurers who joined in the gold rush of '55. He formerly resided in Calgary, where he was proprietor of the Cunningham Electric Co. for twenty years, and came to Victoria fourteen years ago. He was proprietor of the Log Cabin Service Station at Elk Lake. Mr. Cunningham was a member of the Victoria Lodge A.F. and A.M. of Calgary.

He is survived by one son, Charles Cunningham, of Victoria, a daughter, Isabel, in Ottawa, and one sister in Ottawa and one in Calgary.

Funeral services will be held at McCall's funeral home on Wednesday at 2 o'clock. Rev. F. Conley will conduct the service, after which the remains will be forwarded to Seattle for cremation.

## NEWS IN BRIEF

Search Warrant monthly meeting will be held on Thursday next, at 2101 Tillamook Road, at 8 p.m. Members are requested to attend.

The C.C.F. will hold the usual weekly meeting to-night at 8 o'clock in the C.C.F. Hall, 124 Fort Street. Don Smith will address the meeting.

Search Warrant Two Non-political Business Association will be held on Wednesday evening in the Cloverdale School at 8 o'clock. All members are requested to attend.

At the C.C.F. headquarters, 124 Fort Street, to-morrow, the A.P. of C. Weekly Book Review will take the form of a lecture to be learned from Leon Trotsky's book, "The Russian Revolution." The meeting is open to the public.

Students staff for the Legislature were completed with the selection of Miss Lettice Brown, as stenographer for the Independent and Miss Sarah Young and Miss Constance Stuart as stenographers for the Opposition, C.C.F.

Charged with being the keeper of a common bawdy house at 578 Johnson Street, William Shannon was fined \$100 and city police court this morning. Misses Pearson, Constance Johnson and Babe Bennett were each fined \$25.

Patrick Joseph and Andrew Thomas, Indians, were fined \$10 and \$250 and \$10 respectively, when they pleaded guilty in the city police court this morning to charges of being intoxicated. Optional jail terms of five days were given.

Ernest Reid and William Harvey were each sentenced to twenty days' imprisonment when they pleaded guilty in the city police court this morning to charges of drunkenness. Two previous convictions were noted against each of them.

The Fuel Boy Community Association will hold a bridge party on Friday evening at the home of Mrs. F. Bridge, 521 Robertson Street. Members intending to take part are requested to communicate with Mrs. Bridge by telephoning Empire 3480 to make reservations.

Patrick McMillan and Thomas King were charged in the city police court this morning with begging, and sentenced to jail until further judgment after pleading guilty. Three previous convictions were noted against the latter, who asked the magistrate for a chance to leave the village.

The regular monthly meeting of the Victoria Horticultural Society will be held at the City Hall to-morrow night at 8 o'clock. Chas. Bennett, head gardener of the Victoria School Board, will discuss the topic of the preparation of the soil and the proper methods of seed sowing. Anyone interested is cordially invited to the meeting.

Nomination and election dates in the township of Chilliwack, the districts of Matsqui and Maple Ridge, will be fixed by the returning officers within the next few days, according to instructions from the government. Polling will be held on Matsqui and in two wards of Maple Ridge, was postponed, due to the flood conditions.

In order to carry out work under the Farmers' Creditors Arrangement Act in the province the following have been appointed commissioners for taking affidavits within the province: J. B. Mitchell of Port Moody, David C. Stuart of Prince Rupert, W. J. Moore of Port George, and J. Munroe of Port George.

Both John S. Blakie and his wife, Rose F. Blakie, have been suing both the Caroline Court Apartments Ltd., and the Vancouver Furnishing Co. Ltd., for damages resulting from their being damaged by cyanide fumes. The husband claims damages for the loss of the services and society of his wife, while she claims an account of an injured respiratory tract and poisoned digestive system. Mr. Justice Fisher and a jury dismissed the claims and when his own lawyers dropped his case, Mr. Blakie personally brought it before the justices of the B.C. Court of Appeal in session here.

The case on points raised has been referred back to the trial judge for reports to the appeal court at its next session, beginning March 3.

French Authorities to Protect Swedish Monarch on Annual Sojourn on Riviera

Associated Press  
Stockholm, Feb. 4.—Unconcerned over reports that he will be guarded by detectives, against his will if necessary, during his stay in France, King Gustaf plans to leave Tuesday for his customary annual sojourn on the Riviera.

The Swedish monarch, who is particularly eager to enjoy his holiday in the French Riviera, will travel in an ordinary train accompanied only by his court attendants.

France, according to reports, is determined not to have any more kings assassinated on French soil. The murder of King Alexander at Marseille appears to have made the French police especially apprehensive for royal safety.

Forty at Vancouver Rooming House Forced Into Street By Fire Below Premises

Canadian Press  
Vancouver, Feb. 4.—Forty tenants of the Washington Rooms on Main Street fled to-night at 11 o'clock to-day through halls filled with dense smoke, following an outbreak of fire in premises below the rooming house.

Extensive damage was done in premises of Yachow Chow, photographer, and Max Goldberg, hardware dealer. Authorities stated they believed no insurance was carried. One of the damage estimates was \$15,000, but this was not official.

Police reported the fire had its origin at the rear of one of the main floor stores. For a time the fire threatened to extend to a large Chinese lodging house at the rear of the Washington Rooms, the flames having leaked the alley and set fire to an adjacent store. Firemen prevented a spread.

"Victoria is very, very nice, but I never from on the premises as I did here two weeks ago," Carl von Bismarck, visitor from Stockholm, stated to-day as he paid a friendly visit to the city hall and met some of the aldermen. Mr. Bismarck is the father of a Swedish alderman, and "has been visiting the Coast for several years. He is held up here through his inability to drive home, after the snow-covered highways."

## Noted Surgeon Here On Visit

Dr. N. J. Maclean Says Canadian and American Associations to Meet Jointly

As a gesture of goodwill between the two nations, the annual meeting of the Canadian Medical Association and the American Medical Association will be held jointly in New Jersey in June of this year. It was stated to-day by Dr. Neil J. Maclean, noted Canadian surgeon, who is in Victoria to-day from Winnipeg.

Dr. Maclean has been asked to address the joint gathering of medical men, the largest convention of its kind ever held in North America.

Dr. Maclean is surgeon to the Winnipeg General Hospital, professor of clinical surgery in Manitoba Medical College and consulting surgeon to the Manitoba Sanatorium.

He is a nephew of M. A. Maclean, the first mayor of Vancouver, he explained in the course of an informal talk at the Empress Hotel this morning.

Dr. and Mrs. Maclean came to Victoria to escape the rigors of the winter and they propose to stay here for a month.

"This is the only place to come to west of Winnipeg to get away from the snow and the cold," the surgeon said to-day.

When he left for the Coast, however, Winnipeg was experiencing a twenty days' imprisonment when they pleaded guilty in the city police court this morning to charges of drunkenness. Two previous convictions were noted against each of them.

## CHIEF ENGINEER ASKS CITIZENSHIP

Walter Ames Hay, chief engineer in the Coast marine service, appeared in court to-day before Judge Lampman on his application for naturalization as a Canadian citizen. He was born at Ashton, Nebraska, has been in Canada since 1920, and for half a century has been one of the best known men in his line in North Pacific waters.

Archibald McLean, a retired chief engineer, took the stand and testified that Mr. Hay was worthy of becoming a Canadian. He said he has known him since 1927.

Capt. William Haultain, master mariner on this Coast for years, who has known Mr. Hay since 1924, also testified in support of his application. The judge will send his recommendation to the Secretary of State at Ottawa for final action.

## VICTORIA MAN BELIEVED LOST

George C. McIntosh Missing From Ss. Princess Joan When She Arrived To-day

George C. McIntosh of Victoria was missing from the Vancouver boat when it arrived here this morning.

Personal effects and a brief note were found on the deck of the ship by police.

Mr. McIntosh left the city on Saturday and booked passage for his return aboard the Princess Joan. Police said he boarded the ship at Vancouver last night.

A blue suit coat, a gaberdeen, a cap and scarf were found in the bow of the ship, within the coils of the hawser. A few dollars and some cigarettes were also located.

On a small piece of paper, apparently torn surreptitiously from a larger sheet, was the following message: "Throat choking (gas). No regrets. Cheerio. Keep smiling."

Mr. McIntosh is a returned man and is believed to have been suffering from effects of the war.

Police have been unable to locate any relatives of the missing man. He is believed to be a resident on San Juan Avenue.

## PIONEER DIES IN VANCOUVER

Mrs. Jane M. McCluskey, Native Daughter of Victoria, Passes Away

Mrs. Jane Marie McCluskey, native daughter of Victoria and member of a well known pioneer family, passed away suddenly in Vancouver on Friday while visiting her sister, Miss E. Wilson, at her home.

The remains will be brought to Maynard's B. C. Funeral Chapel, and requiem mass will be sung by Rev. Father Gaudette at St. Ann's Cathedral to-morrow morning at 10 o'clock, after which the remains will be laid at rest in Ross Bay Cemetery.

Mrs. McCluskey was born in Victoria almost nine years ago and with her twin sister, Mrs. J. W. Switzer, who is now a patient in St. Joseph's Hospital, and her other sister, Miss E. Wilson, of Vancouver, was among the early pupils of St. Ann's Academy. She was a devoted member of the Roman Catholic Church and was a member of the Victoria Chapter of the Order of the Holy Cross.

In addition to her two sisters, she leaves two nieces, Mrs. W. E. Moore and Mrs. J. S. Robertson of Langford, a nephew, J. C. B. of Victoria, and a niece in Winnipeg and England.

**Sudden Death Of Mrs. Harry B. Nash**

Yesterday evening there passed away suddenly, at the family residence, 948 Belkirk Avenue, Mrs. Violet Beaton Belkirk, wife of Harry B. Nash, of Belkirk, Ireland, who had been a resident of this city for fifteen years.

She is survived by her husband, her mother, Mrs. Blanche Clements, at home and one brother, Captain Edward Clements of Harbour House, Stranraer, Orkney, Scotland.

The remains are resting at the Sands Mortuary Limited. On Wednesday afternoon the casket will leave the residence, 948 Belkirk Avenue, at 1:45 o'clock, and fifteen minutes later service will be conducted in St. Paul's Garrison Church, Esquimalt.

## GRANT SOUGHT FOR PUBLICITY

Bureau Heads Asked Government For Aid in Promoting Tourist Business

Increased assistance from the provincial government for tourist publicity work in Victoria and Vancouver was requested by a delegation which met Hon. John Hart, Minister of Finance, this morning.

The government last year granted \$1,000 each to the publicity bureaus in the two cities. The request was that this be increased to \$2,500 each.

## FINE SPIRIT OF FLOOD VICTIMS

Premier Pattullo Visits Inundated Area; Government Aid Given

Back at his office to-day after a visit to the flooded damaged area on the mainland, Premier Pattullo said he was deeply impressed with the fine spirit shown by the settlers of the Fraser Valley in the face of the disaster.

"They suffered heavily," he said, "but were cheerful despite it. All those on the higher benches are now returning to their homes, but others will not go back for two months or so. They are all being taken care of, however."

All possible speed is being used in repairs to the Sumas dike, the Premier said. The big break is about 200 feet long and will cost in the neighborhood of \$25,000. It is expected this will be completed in two weeks and another six or eight weeks pumping will be required to clear the 10,000 acres of inundated land.

The Premier said he had met municipal authorities in the distressed areas and assured them of reasonable government assistance in carrying the load of the flood damage.

It would be difficult to guard against a recurrence of the disaster owing to the extraordinary conditions under which it took place, the Premier stated. Plans have been made, however, to move the dike on the north side back some distance to give the water a wider channel to run off.

Mr. Pattullo was accompanied on the tour by Hon. P. M. MacPherson, Minister of Public Works.

Close chest of flood damage on Vancouver Island is proceeding, the Premier stated, and the government is rushing all work needed to open transportation and relieve suffering.

## CITY HOSPITAL REPORTED FULL

Accommodation Taxed to Capacity, Dr. Richard Felton States

Accommodation at the Jubilee Hospital to-day is taxed to capacity, according to word from Dr. Richard Felton, city health officer.

While the situation could not be attributed to any serious epidemic, the fact that many more indigents were receiving attention at the city institution than heretofore, was advanced as a possible explanation for the crowded condition.

All available rooms were being used, Dr. Felton stated, adding minor cases could not be accommodated, although those vitally in need of hospitalization were receiving treatment.

As a possible reason for the condition, he stated no additions had been made to the hospital during recent years to cope with the increasing population of Greater Victoria.

The percentage of non-paying patients in the institution was far higher at present than it had been a number of years, Dr. Felton stated.

**IS LAID TO REST**

The funeral of Mrs. Annie Elizabeth Callaghan, held on Saturday afternoon at St. Mark's Church, was attended by a large number of friends, including a number of non-commissioned officers and men of the Sixteenth Canadian Scottish Regiment. Rev. O. E. Jull conducted the service, during which the hymns, "There is a Land of Pure Delight" and "Jesus Lives," were sung. Interment was in the family plot in Ross Bay Cemetery. The following acted as pallbearers: W. Clew, S. Finnington, O. Thompson, F. J. Thomas, S. W. Spaven and Sergeant-Major G. Heel.

## WANT CLEAN-UP WEEK IN APRIL

City Asked to Approve Dates For Junior Chamber of Commerce Campaign

Approval of the date from April 1 to 4 inclusive for the city's annual "Clean-up and Beautify" week, sought by the Junior Chamber of Commerce in a letter addressed to the City Council and received at the City Hall to-day.

This year, according to the letter, the leaders in the campaign will also launch a drive for extensive repairs to old properties.

The date was selected because the committee felt the monthly payroll would place a considerable amount of money in circulation at that time. Weather conditions would most probably be favorable for renovation work and other claims, in the way of motor licenses and other taxes, would have been met.

## 50 Years' Interest Swells Old Estate

When Robert Ritchie, Comox Valley pioneer, disappeared in San Francisco in 1894 on his way from Victoria to his old home in Scotland, he left in the federal post office saving bank less than \$2,000, which has now grown by interest to more than \$7,000.

Three relatives, led by Sidney Child, Victoria lawyer, who have now been established by the courts have as Ritchie heirs, will divide the total which years ago was removed as an undivided account from Victoria to the head office of the bank at Ottawa where it has continued to grow.

They are Mrs. Mary Ritchie, daughter-in-law, Melbourne, Australia; her daughter, Isabella Rossiter of Melbourne, and a second daughter, Mrs. Jean Rossiter of Alton, Scotland.

## CHOIR OFFERS FINE CONCERT

Cyril C. Warren Conducts Fairfield United Singers in Successful Performance

A concert of an exceptionally high musical standard was heard yesterday afternoon by more than 500 persons when the Fairfield United Church choir presented a programme of classical and religious music in the City Temple.

Notable features of the concert were the balance of the choir as a whole and the high standard set by the soloists. The choir was directed by Cyril C. Warren, who handled it in a masterly and highly successful manner. Miss Isabelle Pike was accompanist and contributed materially to the success of the performance.

The soloists were: Miss Isabel Crawford, soprano; A. W. Lucking, tenor; Miss Edith Howell, soprano; Mrs. J. T. Keating, soprano; J. H. Finn, violinist; E. Husband, tenor; Miss Constance Barlow, soprano, and Lawrence Abbott, tenor.

The choir and soloists presented a long and varied programme, the features of which were: "Introit," "God Be in My Head" (Wallford-Davies), sung by the choir; " anthem, "Still With Thee" (Thompson), by Miss Crawford and choir; tenor solo, "The Lord is My Rock" (Wagner), by Mr. Lucking; anthem, "The Lord is My Rock" (Thompson), by Mrs. Keating and choir; violin solo, "Melody" (Kreutzer) and "Salut d'Amour" (Elgar), by Mr. Finn; anthem, "I Will Mention" (Mulligan), by Mr. Husband and choir; trio-ladies choir, "At Eventide, Be Still Be Light" (Gaul); anthem, "There Are the Wild Flowers" (Dobbs) and "Jesus, Woe of God Incarnate" (Gounod); anthem, "At Eventide, Be Still Be Light" (Turner), by Mrs. Barlow, Mr. Abbott and the choir.

Stations' cantata, "Crucifixion," will be rendered by the Fairfield United Choir, in their church, on the afternoon of April 14.

**ALBERNI MAN TO BE BURIED HERE**

Funeral services will be held to-morrow afternoon at 2:30 o'clock at the Sands Mortuary Chapel for Isaac Somers, who passed away in Alberni on Friday in his eighty-first year. Rev. H. J. Armistead will officiate and interment will be in the family plot in Ross Bay Cemetery.

Mr. Somers was born in Goderich, Ont., and had been a resident of Alberni for the last twelve years. He was formerly of Gordon Head, where he came to reside in 1908.

Mr. Somers is survived by two sons, W. F. Somers, of Gordon Head, and I. R. Somers, of Alberni; one daughter, Miss A. E. Somers, Gordon Head; one sister, Miss Mary Somers, of Vancouver; and six grandchildren.

# Dulness Prevails In All Categories On New York Board

New York, Feb. 4.—Gold clause shares again hovered over the stock market today and prices were inclined to slip in the heaviest trading witnessed in some five months. There were a few scattered gains, but the list as a whole was soggy.

The close was somewhat heavy. Transactions approximated \$30,000,000.

Stocks and foreign exchanges exhibited a disposition to mark time pending the fate of the administration's monetary programme. Grains were a bit soft at times and cotton was barely steady.

Practical changes predominated among leading shares, some important ones being shown by Western Union, Consolidated Gas, Sears Roebuck, Continental Can, Bethlehem Steel and Republic Steel preferred.

Although the markets were obviously disappointed over the delay in the gold decisions, the fact that nervous sellers were few tended to confirm the belief of some analysts that the market would be fairly strong hands. These felt, no matter what the ruling, panicky conditions in the financial section are not likely.

The opinion was also advanced in brokerage quarters that the authorities would not consider it necessary to close the stock exchange.

Pending the Supreme Court's action on the gold controversy, most traders retreated to neutral territory. At the same time the American Iron and Steel Institute estimated current mill production at 83.5 per cent of capacity, up 3 of a point from last week.

While Pittsburgh Coal preferred shares got up around 5 points, and Consolidated Gas, Western Union, Thatcher Manufacturing and American Telephone were usually moderate, they higher. J. C. Penney lost about 3, and Santa Fe, Union Pacific, Studebaker preferred, Case International Harvester, U.S. Steel, Dupont and U.S. Smelting yielded a point or more each. Sears Roebuck, Montgomery Ward, Bethlehem Steel, General Motors, Chrysler, Westinghouse, General Electric, National Distillers and Johnson & Johnson were down fractionally.
